Last Year's Players (Learn to Play – Midget)

Deadline for last year's players to assure them a spot on a team is March 31, 2012. This date will determine the team placement following the guidelines set down in the Constitution, as well as confirming when a particular division is full. After March 31st, the determination is first come, first serve with any registrations. For Registration Packages or extra forms, please call Mary Murphy at 905-680-0008

New Players - (Learn to Play - Midget)

Registration forms may be returned at any time, but will not be dated before March 31st. Last year's players have this time to register first. A copy of proof of age must accompany any registration along with the proper registration form otherwise. For Registration Packages or extra forms, please call Mary Murphy (905) 680-0008. For information about the division and where to play you may also contact the League's secretary Marianne Allen at (905) 682-3068. Web Site: www.softballstcatharines.ca

Ladies Division - (19 & older as of January 1, 2012)

Register immediately! Ladies are placed on teams as follows: players from the previous year must register by March 31st. New players will be placed on teams after this date as requested, or in order to fill teams. Ladies are automatically placed on last years' team unless requested otherwise. Any changes from team to team, followed by those on leave of absence, are added before new players, provided they are registered by March 31st. If registration dictates, teams are amalgamated on March 31st.

Any players wanting to form a new team must be registered by March 31st, and having advised the Registrar of their request by this date. Any conflicts will be decided by the date stamped, as received on the player's registration card. **Avoid disappointment and register early.**
